

"The Key to Your Financial Success"

Strickland Insurance & Financial Services, is an agency offering alternative financial solutions to help our clients secure their life savings, accumulate wealth and tax free legacy transfers. In these troubled financial times, we are fully committed to help creating peace of mind and security for your financial future.

We understand that each situation is unique and personal meeting is beneficial to evaluate your needs, worries, and financial goals. Additionally, we provide free, no obligation quotes for life, health, and long-term care insurance solutions. Our teams of experts are competing to find the best solution for your specific need at the best price.
